

Losers Weepers

What is Losers Weepers?

An app that makes it convenient for you to lose your items. With a state of the art, one of a kind, and revolutionary GPS technology, we force you to guess the location of your phone within 30 seconds. If you fail to do so, the exact coordinates and location of the phone will be leaked on Twitter, giving your phone a more responsible and deserving owner.

Tell us about charity, huh?

"terrible"
or noble
idea?

Introducing a brand-new groundbreaking solution,
instilling a sense of fear onto device owners to be
more careful with their devices while increasing the
initiative of goodwill and donation.
